Empowering Teens to Take Control of their Future

Based on the GBS[®] Method

On Your Own as a Young Adult is the curriculum used for the *Getting Beyond the System[®] Self-Advocacy Seminar*. Students and facilitators find the *Getting Beyond the System[®]* approach a successful means to empower young adults to take control of their future and learn skills to achieve their career goals. Ordering books for your students will help them strengthen their self-advocacy skills and begin the process of exploring their education and career paths.

Please complete this order form, attach a check payable to *Youth Advocacy Center*, and mail to:
Youth Advocacy Center, Attn: Susan Ross, 281 Sixth Avenue, New York, NY 10014
Your order will be shipped upon receipt of payment.

Please email any questions to Susan at sross@youthadvocacycenter.org.
